Pro-Tech TOOLS

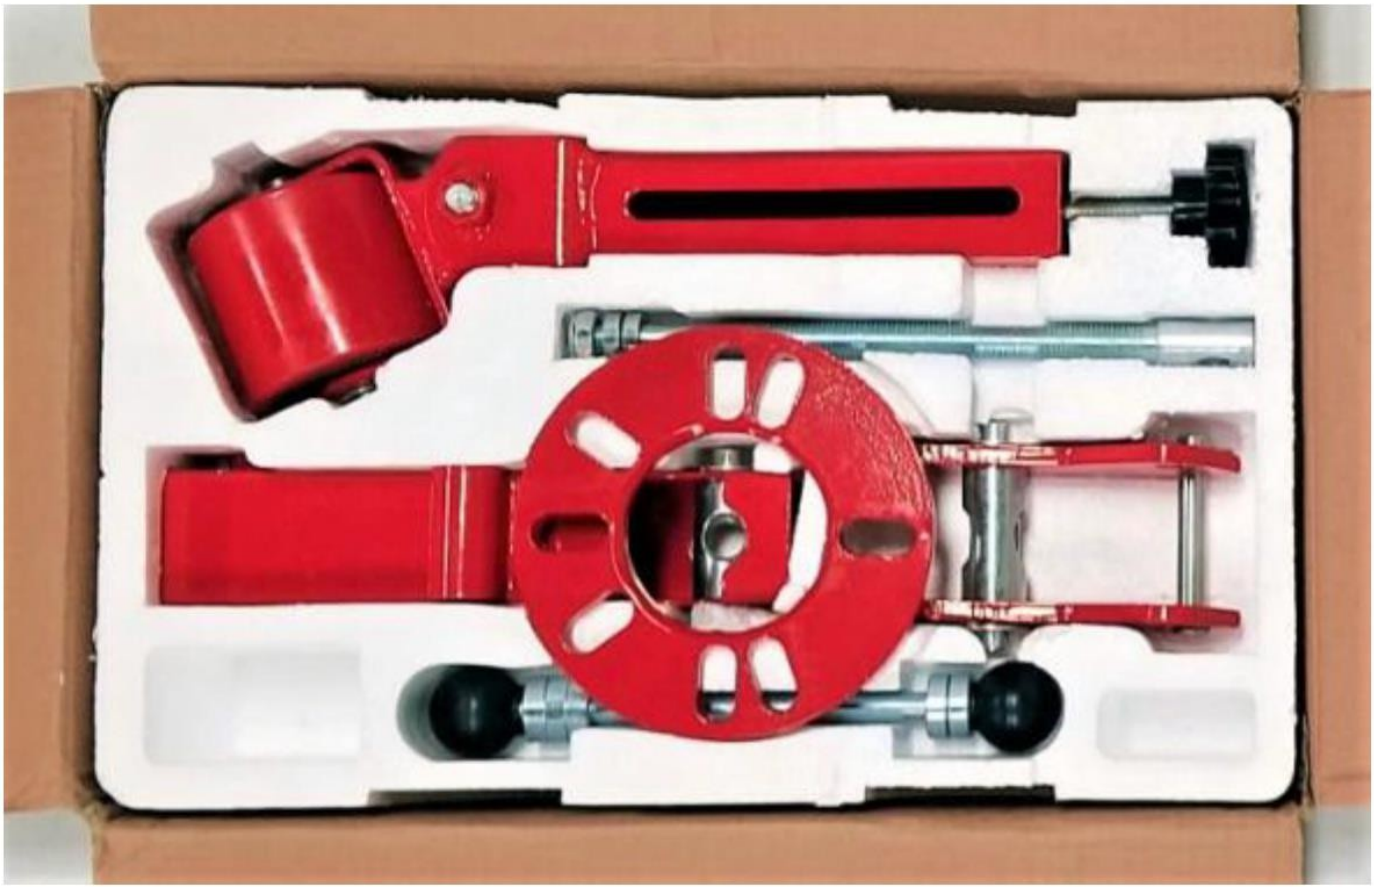

Komplet za popravilo krilc

Navodila za uporabo

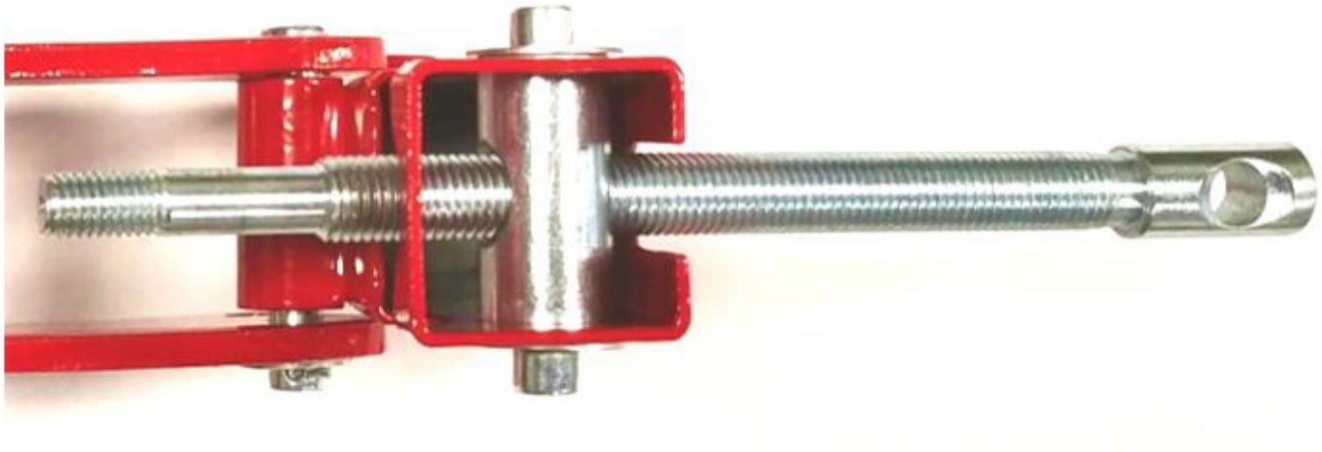

Prevod izvirnih navodil

Po odprtju paketa preverite, ali manjkajo kakšni deli.

S škatle odstranite zaklepno matico in glavni pokrov.

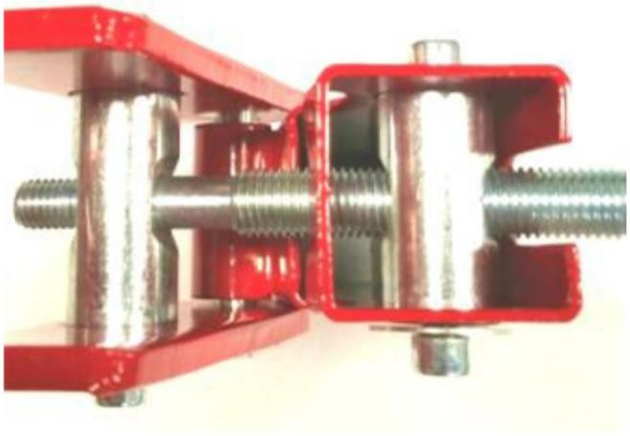

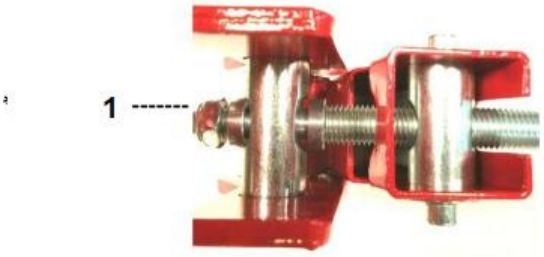

Na obe strani nastavitvenega vijaka namestite podložki.

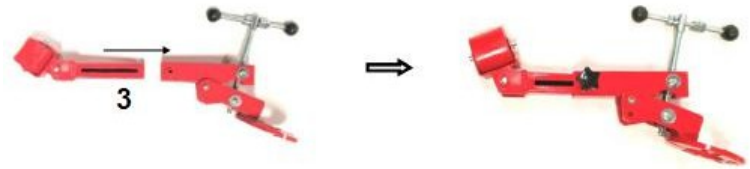

Oba dela povežite, kot je prikazano na sliki.

1. **Matica varovalke**
2. **5 blazinic shranite na ročaj, da jih varno držite**
3. **Pošlji v glavno telo**
